

MATHEMATICS CURRICULUM 2017-2018

Year 6

	AUTUMN TERM		SPRING TERM	
Week	1	2	1	2
1	Number Place value and rounding	Number Fractions and Decimals	Number Place value and negative numbers and sequences	Number Fractions, decimals and percentages
2	Number and Measurement Decimals	Number Fractions and Decimals	Number Long multiplication	Number Multiplying and dividing fractions
3	Number Addition and Subtraction	Number Percentages	Number Long division	Ratio and proportion
4	Number Prime numbers, Factors, Multiples	Geometry 2D shapes and angles	Algebra Formulae, equations, missing numbers	Geometry Co-ordinates, translation and Reflection
5	Number Multiplication and Division	Geometry 3D shapes	Measurement Area, Perimeter and Volume	Statistics and measurement Pie charts, line graphs, conversions
6	Number Multiplication and Division	Measurement Conversion	Measurement Area, Perimeter and Volume	Statistics and measurements Pie charts, line graphs, conversions
