# Monken Hadley CE Primary School

Seek what is good, treasure what is true, do what is right.

## Dear Parents & Carers

On Tuesday 30<sup>th</sup> October the Juniors were treated to a superb performance of 'Twelfth Night' by the Young Shakespeare Company. The company performed the play as an interactive workshop in which the children participated throughout. There were even opportunities for some of the children to perform with the players!

After school we had the Book Fair where many children have bought books from the travelling bookshop. Thank you for your contributions, profits from the travelling bookshop sale will go towards resources for the school.

### Fireworks

We would like to say a huge thank you to the Friends of Monken Hadley and especially to the Chair for the spectacular laser show and fireworks display. The display was amazing and truly fantastic. Everyone said they were astonished by the event.

### Remembrance

This week in assembly we spoke to the children about remembrance and the reasons why we have this occasion every year. The children were very thoughtful. They explored what the poppy stands for and why people wear them. The children also discussed remembrance in their classrooms and what this special act of remembrance is all about.

Thank you for your contributions to our Poppy Appeal. Poppies and accessories will continue to be on sale after school until next Friday.

### School Prayer

Father God,  
Thank you for the flowers and the trees,  
the children and the teachers, the mums  
and the dads, the cats and the dogs.  
Please look after us,  
Amen
