Monken Hadley CE Primary School

Seek what is good, treasure what is true, do what is right.

Dear Parents and Carers

Homework

This year, we have changed the way homework is set. All children have been working on projects at home, which are closely linked to their learning in school. We are so impressed with the quality of work produced and with the time and effort children have taken.

The children are also very enthusiastic about the new arrangements; in fact over 90% of children, when asked, said that they preferred it.

Here are some of their thoughts:

I think it is really good because there are lots of different things you can do.

I didn't like it; I LOVED it! It's fun to create things.

Here is some of the fantastic work they have produced:

I like it because it gives you a way to express yourself. You can see the amount of work everyone has put in.

I really enjoyed it. It's much better than doing the same thing each week.

Wishing you a restful and enjoyable half term

Class Assemblies

.....class today started the first of the class assemblies for this academic year. It was a success with the children talking enthusiastically about the lessons they are enjoying, topics they have covered and the unity they enjoy together. These assemblies are a great opportunity for the children to develop a variety of skills. It's always so great to see so many parents. Thank you for your support.
