Monken Hadley CE Primary School

Seek what is good, treasure what is true, do what is right.

Dear Parents/Carers

The start of the week was all go for us with Beech class taking part in an Ancient Greek workshop. The children learned about Greek life, culture and democracy. They were taught by a warrior demonstrating his weapon skills and particularly liked seeing the spear. They finished the day with a mini Olympic Games.

Black History Month

Throughout October many schools across England celebrate black history. This week the children have been learning about different pioneers in our more immediate past and present.

Breakfast Club

We still have some places available, please sign up by half term to ensure that your child has a place. The cost is £4.00 per session.

Love Thy Neighbour

Our school values play an important role in making Monken Hadley the school it is. This term we are going to start a new celebration. Every half term teachers will nominate a child who has consistently demonstrated one or more values in and around the classroom. Children will be then invited for tea and biscuit with the headship team.

Contact

Please remember to pass on any e mail or phone number changes to the school office so that we can update our records. We also request that you provide us with emergency contact in addition to your own details.
