Monken Hadley Cof E Primary School

PE and Sport Premium Statement

Academic Year 2025–2026

1. Funding Allocation

For the academic year 2025–2026, we received £17,260 in PE and Sport Premium funding.

We confirm that this amount is correct and that all funding was fully spent, with no remaining balance at the end of the academic year.

We also targeted support for pupils with SEND, girls' participation, and disadvantaged pupils.

2. Impact of the PE and Sport Premium

Improved Quality of PE Teaching

Staff CPD and specialist coaching strengthened teacher confidence, improved lesson quality, and ensured consistent progression across all year groups.

Increased Participation in Sport

We expanded our extra-curricular offer, enabling more pupils to take part in regular physical activity.

Funding for competitions and SGO events allowed more pupils to represent Monken Hadley locally.

Inclusive Access

We ensured full participation for SEND pupils, girls, disadvantaged pupils, and those with medical needs through adapted resources and targeted sessions.

Wellbeing and Behaviour

Pupils demonstrated improved teamwork, resilience, and confidence.

Increased physical activity contributed to calmer lunchtimes and improved focus in lessons.

3. Swimming Outcomes (End of Year 6)

By the end of Year 6 in 2025–2026:

85% can swim 25 metres

85% can use a range of strokes effectively

85% can perform safe self-rescue

We reported a positive impact on swimming and water safety attainment.

4. Sustainability of Improvements

We have taken steps to ensure long-term sustainability, including ongoing staff CPD, a rolling programme for equipment replacement, embedded inclusive practice, continued participation in local networks and competitions, and a strengthened PE curriculum ensuring progression from EYFS to Year 6.

5. Future Priorities (2026–2027)

We have identified the following areas for continued development, subject to funding being available:

- CPD
- Further extra-curricular opportunities
- Equipment and resources
