Seek what is good, treasure what is true, do what is right.

Dear Parents & Carers

We have had our *Walk to School Week* this week and it's been great to see many children and their families choosing greener ways to travel to school. Year 6 have also been very active with their Bikeability course. The Bikeability course is put on by Barnet and it's a really useful way for children to gain confidence in cycling on the road. They've been out and about in the local area, including one or two hills that have built up their stamina.

The choir had their cluster meeting at Whittings Hill School with a few other local schools on Wednesday, in preparation for the Music Festival at the Arts Depot in June. Our children performed very well at this rehearsal and I must add that hearing the choir practice on a Thursday afternoon is an absolute delight. Those of you who are attending the Arts Depot Music Festival are in for a real treat on 14th June.

Today we said farewell to our wonderful Mrs Chandrani as she goes off on maternity leave and moves to Surrey. Mrs Chandrani has been an absolutely treasured member of our team and she will be very missed by everyone in the school community. She has been a fantastic Chestnut teacher, Maths subject leader and colleague. I know that you will all miss her and she has promised to let us know when the baby is born.

Next week we are on half term and so I hope everyone has a lovely relaxing break with friends and family.

Miss Froud
